PAYMENT OPTIONS

Our mission is to deliver the finest dental care available today. Fine dentistry is truly an investment. Our goal is to help you make this investment possible.

Payment for today's visit and future visits is due at the time of treatment. We are sensitive to the fact that some people may not be able to pay cash for their treatment; therefore, we offer several alternative payment programs for your convenience. For those who enjoy dental insurance benefits, we ask you to pay the patient portion at the time of service, or you may take advantage of a 5% reduction by paying in full prior to your appointment, and we will have the insurance company reimburse you directly, (PPO's excluded).

OPTIONS:

1. 5% reduction on amounts over \$1000, if paid in full no less than 24 hours in advance of appointment with cash or check, 3% with Credit Card.
2. Cash, Check or Credit Card at the time of service.
3. Monthly payment plan through Care Credit, Capital One, or Unicorn Financial.

This is an estimate. Please remember insurance is a contract benefit between you, your employer, and the insurance company. We are happy to assist you in billing your insurance company and maximizing your benefits. However, you are ultimately responsible for the cost of treatment performed. We have provided a plan for you to enhance your health and wellness and we are committed to exceptional care.
